

# Yukon Soccer Club Player Information Sheet

Welcome to the Yukon Soccer Club for the 2010 outdoor season. The outdoor program will begin the weekend of May 8<sup>th</sup> and 9<sup>th</sup> and will run into late September early October.

This program is for players wishing to develop their soccer skills and play at a competitive level. The program offers all players weekly training sessions and for club players, participation in camps with professional coaches and opportunities to play in tournaments. This program will be overseen by the Yukon Soccer Association Technical Director, Jake Hanson, who will provide program direction and coaching support to all of our teams.

The cost for participation in the club is \$300 per player. Additional costs for players will come from travel that all of our club teams participate in throughout the course of the outdoor season.

YSC will allow a “trial period” for new players only. New players interested in trying soccer may attend up to 2 practices free of charge to decide if they will continue. A registration form and medical consent form must be filled out for these players prior to attending the first practice.

All players must register within their appropriate age group. No player may register to “play up” within YSC Rep Teams.

YSC is anticipating having the “YSC Tracksuit and Bag” available for ordering for May. Any teams planning to travel to outside tournaments are encouraged to purchase these 2 items. Approximate cost will be \$120.00. Ordering information will be forwarded to team managers soon.

It is recognized that some parents may experience difficulty in paying the fees at the start of the season. There are payment options available, e.g. a series of post dated cheques, Kid's Recreation Fund, etc. The Club Registrar will assist parents in making appropriate payment arrangements in a confidential manner. However, players will NOT be able to participate in the program unless fees are paid or payment arrangements are in place.
